REGIONAL**

March 26th—March
29th

**FIRST
CHAMPIONSHIP
IN ST. LOUIS:**

April 22nd—April
25th

Bag-n-Tag: the countdown begins! *Members and mentors hard at work finalizing the robot*

It's been crazy in the shop the last few days as members and mentors work ferociously to finish the robot.

Because most executives have their hands busy with drills, this will be a quick newsletter update. We will publish a more detailed one next week after the chaos has subsided!

Not only are we completing our competition robot, but we are also finalizing our practice robot. Our new drive team is excited to start practicing as soon as build season ends on Tuesday.

We are excited to announce our official team website as been launched! Huge thanks to Bailey Ramsdell for her work. You can visit us at www.lionrobotics.org for team history and competition information. We are still updating and uploading files, but please go check it out.

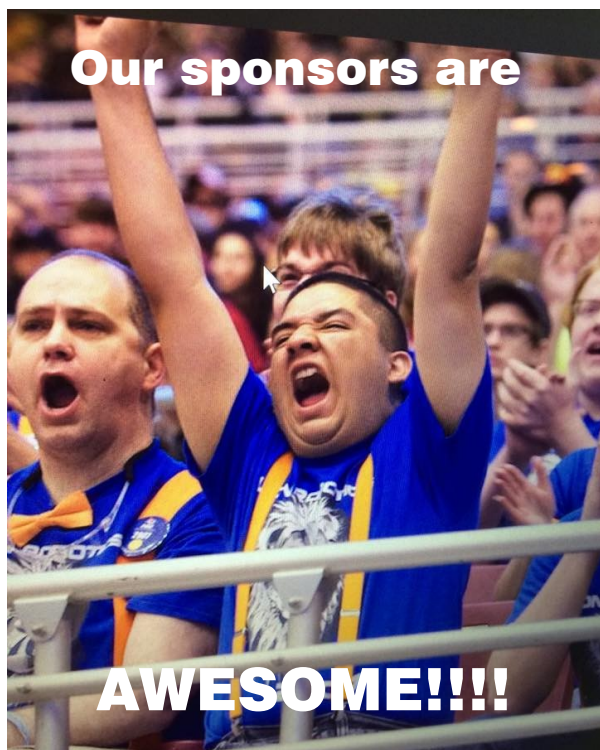

Our team has also established an official twitter account. Our last account is no longer active, so please follow us at @FRC2907 to stay up to date with pertinent information. Search Lion Robotics and we should pop up.

There is a possibility our team will be having team bonding at Laser Quest next Saturday. We are perfecting details, so be looking for a team email from Outreach Executive Chris Sorta in the near future.

STRATEGY TEAM MEETINGS FROM HERE ON OUT ARE MANDATORY FOR ALL STRATEGY TEAM MEMBERS. If you haven't attended any of the meetings—including Dylan Jeffery, Connor Murphy, Jacob Abriani, Spencer Ward, Matthew Steen, and Colton Berry—see Marissa Clowers as soon as possible! The dates of the next meetings are as follows: February 16th, 23rd, and 26th.

Remember no STIMS, no travel! If you have not completed STIMS, the online team registration process, you are not eligible to attend any of our events. This includes Colton Berry, Trenton Bushnell, Ian Farrell, Julie Howe, Eugene Katretchko, Luke Lavine, Amber Mein, Bailey Ramsdell, Willa Richmond, Tyler Scheff, Josh Watrous, and Kyle Wilkerson. Please make sure you do so before the end of the month.

We appreciate your support!

Booster Club Auction rapidly approaching *We need help creating baskets—major team fundraiser!*

The AMHS Booster Auction is coming up on Friday March 27th at the Meridian Valley Country Club! Tickets will be \$40 per person. Our team representative Becky Clowers has been working hard procuring items to benefit the Robotics Club. Let Becky know if you would like to purchase tickets!

So far, Becky has collected: **4 Hopper passes to Disneyland** (value \$600); **2 day passes to Wild Waves** (value \$87); **Auburn Vally YMCA 3 month family membership** (value \$450 last year, have not received yet); **Redbox** (have not received yet); and **10 AMC Theater passes** (value \$105).

Becky has also sent our letters and has requested other donations online, so we are expecting more to be added to this list. It’s also important to add additional

items to the already procured items to increase their value and appeal.

If you are willing to help out Becky and make this a successful fundraiser , these are some items we could use:

- **carry on luggage** and **Mickey/Disney luggage tag** for Disneyland package
- **Doggy items** such as treats, toys, etc.
- **take-out food gift cards** such as Applebees/Subway/Pizza, **lap blanket**, and **popcorn/candy/other snacks** for Redbox basket
- **restaurant gift cards** for AMC package

Items can be given to Mr. Scott, Marissa or Allison Clowers. If you have another donation you would like to make, let Becky know (or just send it to school). Donations need to be sent to school by the end of February, so we have time to put the baskets together.
